### **Organizing Committee**

Dr. Anita Kan (Chairman) Dr. Mary Tang , Dr. Brian Chung, Dr. YY Chee, Dr. Kelvin Chan, Ms. Yoyo Chu

#### **Overseas speakers**

#### **Professor Gideon Koren**

Director, Motherisk Programs, Clinical Pharmacology and Toxicology, The Hospital for Sick Children; Senior Scientist, Child Health Evaluative Sciences, Research Institute; Professor, Paediatrics, University of Toronto

#### Dr. Sarah Bowdin

Staff Physician, Clinical and Metabolic Genetics, The Hospital for Sick Children; Project Investigator, Research Institute; Assistant Professor, Pediatrics, University of Toronto

## Local speakers

#### Dr. Brian H. Y. Chung

Clinical Associate Professor, Department of Obstetrics & Gynaecology, Department of Paediatrics & Adolescent Medicine, Centre for Genomic Sciences, Centre for Reproduction, Development & Growth, The University of Hong Kong

#### Dr. Anita S. Y. Kan

Consultant, Department of Obstetrics & Gynaecology, Queen Mary Hospital

#### Dr. Vivian C. Y. Lee

Associate Consultant, Department of Obstetrics & Gynaecology, Queen Mary Hospital

## Time and Venue

#### **Pre-Symposium Workshop**

17 January 2015 (Saturday) 14:00 - 16:30 Computer Aided Learning Centre, Yu Chun Keung Medical Library, LG1, Faculty of Medicine Building, 21 Sassoon Road, Pokfulam, Hong Kong

#### Symposium

18 January 2015 (Sunday) 09:10 - 17:00 Lecture Theatre 1, Cheung Kung Hai Conference Centre, William MW Mong Block, 21 Sassoon Road, Pokfulam, Hong Kong

## Objective

To provide an updated review on various topics in clinical genetics with particular emphasis on teratology, orofacial clefting and cardiac genetics.

## Audience

Open to all local / regional specialists, nurses, scientists and other professionals working in obstetrics and gynaecology, reproductive medicine and paediatrics.

## **Registration Fee**

Pre-Symposium Workshop (17 January 2015): HK\$200

**Symposium (18** January 2015): Specialist: HK\$1,000 Trainee/ Scientist/ Nurse: HK\$500

(Registration fee for the Symposium on 18 January 2015 includes entitlement to tea breaks and lunch)

## Deadline for registration submission

8 January 2015

# The 3rd HKU Symposium -

# Update on Clinical Genetics

Pre-Symposium Workshop 17 January 2015 (Saturday)

## Symposium

## 18 January 2015 (Sunday)

CME/CNE/MLT points pending Website: <u>www.obsgyn.hku.hk/ucg2015</u>

## Organized by

Department of Obstetrics and Gynaecology, HKU, QMH

## Co-organized by

Department of Paediatrics & Adolescent Medicine Centre for Genomic Sciences Strategic Research Areas and Themes Strategic Research Theme of Development and Reproduction

Centre for Reproduction, Development and Growth
